#### Packing and Shipping:

#### FAQ

#### 1.How long is your delivery time?

-Generally speaking , it needs 10days after deposite received from customer. The exact producing will time depends on the fianl quantity of your orders.

#### 2.Can I install it by myself?

-Yes, it is esay to installed by youself. We can also direct you to do that online if you need. Thanks

3.1 just had the power lift gate installed, once I connect the power, the buzzer started to sound like "bebebe..bebebe", what's wrong?

-It's normal, the first time installation need to manually close the gate to initialize the system, then the alarm will be gone and all will be working!

#### 4.If the mechanic malfunction, we can still open the trunk manually?

-Yes it can be operated manually even the electronic parts are not functional. Don't worry, we provide two years warranty because we have confidence in the built quality.

#### 5. Does it fit my car?

-PIs send us your car's model number and real photoes and also the spec, so that we can check it for you. thanks
